**RE: CISA Case Number 2019-NPAP-00004
DHS Appeal Number 2018-HQAP-00190
Original Case Number 2016-NPFO-00130**

Dear Mr. Musgrave:

This letter is in response to your appeal of the no records response provided by the U.S. Department of Homeland Security (DHS), Cybersecurity & Infrastructure Security Agency (CISA) to your Freedom of Information Act (FOIA) request dated October 4, 2018. You requested all training protocols developed by Department of Homeland Security components regarding the deployment and use of cell site simulators.

As a result of your appeal, CISA conducted a search of the files within the CISA National Risk Management Center, the Cybersecurity Division, the Federal Protective Service, and the Infrastructure Security Division for records responsive to your request. Unfortunately, we were unable to locate or identify any responsive records.

You may contact the CISA FOIA Public Liaison at 703-235-2211 for any further assistance and to discuss any aspect of your request. Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you need to contact our office again about this matter, please refer to FOIA case number **2019-NPAP-00004**. This office can be reached at CISAFOIA@HQ.DHS.GOV or at 703-235-2211.

Sincerely,
